

# Take a Trip to **Diverse City**

illustrated by Laurie A. Faust

**And live in a FREE STATE  
of heart and mind.**

## Diverse City

**D**iversity - variety; state of being diverse, different. **In Diverse City, we...**

**I**nvite - new friends of all races, cultures, and other differences

**V**iew - the bigger picture and how diverse our world is; our vision is expanded

**E**ncourage - look for ways to lift others up; accept, and support one another

**R**espect - consider (think about) other people's feelings, and respect space

**S**hare - share this life experience; give and participate

**E**mbrace - welcome openly, forgive, and learn to see...

**C**onflict - is an opportunity to grow and communicate; to better understand

**I**ce Cream - comes in all good flavors, with the same basic ingredients

**T**reat - others as you would want to be treated

**Y**ou - are a member of your family, classroom, school, neighborhood, city, and state, with the power to change our world for the better!

**Diverse City is in a FREE state  
Of heart and mind,  
Where all are welcome.  
Diverse City is a Free state  
Let's build a bridge,  
And keep it open!**
